

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 23, 1995

SUBJECT: **SB 1095 - HB 1530**

This bill, if enacted, eliminates the three (3) year statute of limitations from the date of the negligent act or omission in malpractice actions, and provides that medical malpractice actions are to be within one (1) year of the date the alleged negligence is discovered.

The fiscal impact from enactment of this bill is estimated to result in an increase in state expenditures to the Claims Award Fund; however, such increase cannot be reasonably determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
